

meet Jodie

Jodie Cooper works as part of a team that is committed to helping members achieve financial success in all their stages of life, whether it is the senior seeking to maximize their retirement income, the young adult just starting out, or the family trying to balance savings, goals and expenses.

Jodie began helping individuals make wise investment decisions in 1995 and has been helping Shaunavon Credit Union members since joining the team in 2007.

As a Mutual Fund Investment Specialist through Credential Asset Management Inc., she works with clients to help them pinpoint their financial goals and to establish investment plans to reach those goals.
