Annual General Meeting Shaunavon Credit Union

All members of Shaunavon Credit Union are owners.

So, what does that mean? It means that each member has one share, one vote. Members vote on changes to bylaws and vote for their board of directors. Members have a voice and can take action in the future of their local credit union. The board of directors oversee the strategic direction of the organization. The board of directors, management and staff all work for you, our members. It comes full circle...back to you, the member.
